

A Safe Space levels 1-4

For the foreseeable future, these will be delivered virtually, and we continue to work towards attaining the appropriate qualifications by 31/12/20

The good news is that you can complete all the Safe Space training you require for your role from the comfort of your home. Here is what is available:

- Level 1 - e-learning via the website
- Level 2 - e-learning via the website
- Level 3 - a virtual session delivered either by HQ or by Midlands Region
- Level 4 - a virtual session delivered either by HQ or by Midlands Region

The HQ sessions are all webinars, and are booking now, via Go. Midlands Region will be offering sessions from late July, – so watch the Shropshire website, where we will post news as soon as we have it.

If you need help or support with A Safe Space training please contact Training@girlguidingshropshire.org.uk or our Safe Space Lead (Catherine Coleman) cc.93@hotmail.co.uk
