

County Training Week

In September we will run our pre-term programme training week virtually this year, so we won't be visiting each Division as before.

- We will offer sectional sessions, but groups from District/Division can book for the same session.
- We will run each session several times, so that those of you with more than one role can book for more than one session.
- These will be evening sessions from Tuesday 1st to Friday 4th September, and daytime sessions on Saturday 5th September.

Bookable via the website from 1st August
